

Art

This project teaches children about significant black artists and their work, and provides opportunities to analyse and create artwork inspired by them.

Science– The Circulatory system

This project teaches children about the transport role of the human circulatory system, its main parts and their primary functions. They learn about healthy lifestyle choices and the effects of harmful substances on the body.

D.T-Food for life

This project teaches children about processed food and healthy food choices. They make bread and pasta sauces and learn about the benefits of whole foods. They plan and make meals as part of a healthy daily menu, and evaluate their completed products.

Music

All the learning in this unit is focused around one song: Happy, a Pop song by Pharrell Williams

Computing

In Computing this term the children will be understanding how computers communicate and learning basic Webpage creation

Redwood 2022-2023

Autumn term

Maafa

History

This project teaches children about Africa past and present and the development of the slave trade. It also explores Britain's role in the transatlantic slave trade, the causes and consequences of the European colonisation of Africa and the worldwide communities that make up the African diaspora.

Geography– Our Changing World

This essential skills and knowledge project revises the features of Earth, time zones and lines of latitude and longitude to pinpoint places on a map. Children find out more about map scales, grid references, contour lines and map symbols. They learn about climate change and the importance of global trade. Children analyse data and carry out fieldwork to find out about local road safety. They study patterns of human settlements and carry out an enquiry to describe local settlement patterns.

RE and PSHE

In R.E we will be exploring What does it mean to be a Muslim in Britain today? Why do Christians believe Jesus was the Messiah? Understanding Christianity: Unit 2B.4 Incarnation

Through our topic we will be learning about prejudice and discrimination; Diversity and multiculturalism, our SCARF focus will be Me and My Relationships and valuing Difference.

Young Leaders Award

Children will be taking part in the Young Leaders Award this will run throughout the year.

P.E

We will be using Real PE and Real Gym this term. In P.E our focus will be social and the children will develop their team ethos.

In real Gym, our focus is personal, the children will develop simple routines individually using a range of hand apparatus.

Maths

Place Value:

rounding, ordering and comparing numbers, negative numbers and increasing by the power of 10.

Number:

Addition, Subtraction, multiplication and division.

English
