

Phonics and early reading policy

The context of our school

At Oak Hill CE Primary School, we recognise that reading is the key to unlocking learning across the curriculum and beyond. Our pupils come from local villages, the wider rural community, and nearby towns, and they join us with a wide range of early literacy experiences. Within our nurturing and supportive environment, every child is given the opportunity to develop strong foundational reading skills that will enable them to become confident, fluent, and enthusiastic readers.

Our committed teaching and support staff provide high-quality, systematic phonics instruction, ensuring that each child is supported to progress at an appropriate pace. We aim to foster a love of reading from the very beginning, embedding phonics teaching within engaging and meaningful learning experiences. By equipping our pupils with the essential skills to decode, blend, and understand text, we empower them to access the wider curriculum, communicate effectively, and develop a lifelong passion for reading.

Intent

Phonics (reading and spelling)

At Oak Hill CE Primary School we believe that all our children can become fluent readers and writers. This is why we teach reading through *Little Wandle Letters and Sounds Revised*, which is a systematic synthetic phonics programme. We start teaching Little Wandle Foundations in our Nursery and then, from Reception, we follow the [Little Wandle Letters and Sounds Revised progression](#), which ensures children build on their growing knowledge of the alphabetic code, mastering phonics to read and spell as they move through school. As a result, all our children are able to tackle any unfamiliar words as they read.

At Oak Hill CE Primary School we also model the application of the alphabetic code through phonics in shared reading and writing, both inside and outside of the phonics lesson and across the curriculum. We have a strong focus on language development for our children because we know that speaking and listening are crucial skills for reading and writing in all subjects.

Comprehension

At Oak Hill CE Primary School, we value reading as a crucial life skill. By the time children leave us, they read confidently for meaning and regularly enjoy reading for pleasure. Our readers are equipped with the tools to tackle unfamiliar vocabulary. We encourage our children to see themselves as readers for both pleasure and purpose.

Because we believe teaching every child to read is so important, we have a Phonics and Early Reading Leader who drives the early reading programme in our school. This person is experienced in teaching phonics and reading, and they monitor and support our staff in the

A COMPLETE PHONICS RESOURCE TO SUPPORT CHILDREN

implantation, so everyone teaches with fidelity to the *Little Wandle Letters and Sounds Revised* programme.

Implementation

Language and nursery rhymes in Reception

- Research tells us that nursery rhymes can support children to develop their language, their awareness of sounds within words and even their later reading ([Bryant et al. 1989](#)).
- We use the Little Wandle Rhyme time videos and accompanying phonological awareness planning to complement and reinforce our Phase 2 teaching.

Daily phonics lessons in Reception and Year 1

- We teach phonics for 30 minutes a day. In Reception, we build from 10-minute lessons, with additional daily oral blending games, to full-length lessons as quickly as possible. Each Friday, we review the week's teaching to help children become fluent readers.
- Children make a strong start in Reception: teaching begins in week 2 of the Autumn term.
- We follow the [Little Wandle Letters and Sounds Revised expectations of progress](#):
 - Children in Reception are taught to read and spell words using Phase 2 and 3 GPCs, and words with adjacent consonants (Phase 4) with fluency and accuracy.
 - Children in Year 1 review Phases 3 and 4 and are taught to read and spell words using Phase 5 GPCs with fluency and accuracy.

Daily Keep-up lessons ensure every child learns to read

- Any child in Reception and Year 1 who needs additional practice has Daily Keep-up support and is taught by a fully trained adult.
- Daily Keep-up lessons follow the Little Wandle progression and use the same procedures, resources and mantras, but in smaller steps with more repetition so that every child secures their learning.

Daily phonics and spelling in Year 2

- Year 2 begins by using assessment to ensure that children have completed the Little Wandle Year 1 progression. Any gaps in teaching are addressed through daily phonics lessons until the programme is completed. Corresponding summative assessments are carried out to ensure this content is secure.
- Once all Year 1 content has been taught and assessed, we teach a five-week Phase 5 review. This ensures that children secure the trickier elements of Phase 5 and can apply this alphabetic knowledge in both reading and spelling.
- We use the Phase 5 review assessment before teaching in Year 2 to identify any children who may need more support when teaching. We reassess after teaching the Phase 5 review.
- Once the Phase 5 review is secure, we teach the Bridge to spelling before moving to the Spelling units.

A COMPLETE PHONICS RESOURCE TO SUPPORT CHILDREN

- Children with larger gaps in their phonic knowledge than their peers have daily phonics teaching and follow the Rapid Catch-up programme.

Children in Year 2 to Year 6: Rapid Catch-up

- We timetable daily phonics lessons for any child in Year 2 and above who is not at age-related expectations for reading or has not passed the Phonics Screening Check. These children urgently need to catch up, so the gap between themselves and their peers does not widen.
- These short, sharp lessons last 15 to 20 minutes daily and have been designed to ensure children quickly catch up to age-related expectations in reading.
- We assess children who are new to our school, new to the country or new to English using the Rapid Catch-up assessments to quickly identify their needs.
- We use the Rapid Catch-up assessments to identify the gaps in children's phonic knowledge and teach these using the Rapid Catch-up resources – at pace.
- We assess children every four weeks using the Rapid Catch-up summative assessments to assess progress and inform teaching.

Teaching reading: Reading practice sessions three times a week

- We teach reading practice sessions three times a week. These sessions:
 - are taught by a fully trained adult to small groups of approximately six children
 - use books matched to the children's secure phonic knowledge using the *Little Wandle Letters and Sounds Revised* assessments and book matching grids on pages 11 to 20 of 'Application of phonics to reading'
 - are monitored by the class teacher, who rotates and works with each group on a regular basis.
- Each reading practice session has a clear focus, so that the demands of the session do not overload the children's working memory. The reading practice sessions have been designed to focus on three key reading skills:
 - decoding: teaching children to use phonic knowledge to read words
 - prosody: teaching children to read with understanding and expression
 - comprehension: using dialogic talk to help children to understand the text.
- In Reception, these sessions start in week 4 of teaching at the latest. Initially, children will read wordless books. In these sessions, children review GPCs and are taught blending using teacher-led blending. Once children can blend, they progress onto decodable books matched to their secure phonic knowledge.
- Children read each book three times to develop phonemic awareness, vocabulary and comprehension as well as book behaviours.
- In Year 2, we ensure children complete reading the core programme decodable books (up to Phase 5 Set 5).
- Reading in Rapid Catch-up lessons mirrors the core programme. Children following the Rapid Catch-up programme are taught to read using the 7+ fully decodable books. These follow the same progression as the core programme but are more appropriate for older readers.

A COMPLETE PHONICS RESOURCE TO SUPPORT CHILDREN

Home reading

- A decodable reading practice book is taken home to ensure success is shared with the family.
- We use the [Little Wandle Letters and Sounds Revised parents' resources](#) to engage our families and share information about phonics, the benefits of sharing books, how children learn to blend and other aspects of our provision, both online and through workshops.

Additional reading support for vulnerable children

- Children in Reception and Year 1 who are receiving additional phonics Daily Keep-up sessions read their reading practice book regularly to an adult in school.
- We prioritise children who may not have reading support at home or who may not have access to books. We ensure that they have individual reading times with volunteers and staff to share quality children's literature to promote a love of reading.

Ensuring consistency and pace of progress

- Every member of staff in our school who delivers the Little Wandle programme has been trained to teach reading, so we have the same expectations of progress. We all use the same language, routines and resources to teach children to read so that we lower children's cognitive load.
- Weekly content grids map each element of new learning to each day, week and term for the duration of the programme.
- Lesson templates, prompt cards and 'How to' videos ensure teachers all have a consistent approach and structure for each lesson.
- The Phonics and Early Reading Leader and SLT use checklists and templates to regularly monitor and observe teaching; they use the summative data to identify children who need additional support and have gaps in learning.

Ensuring Reading for Pleasure (RfP)

'Reading for pleasure is the single most important indicator of a child's success' (OECD 2002).

'The will influences the skill and vice versa' (OECD 2010).

We highly value RfP and work hard as a school to grow our RfP pedagogy.

- We read aloud to children every day. We choose these books carefully as we want children to experience a wide range of books, including those that reflect the children at Oak Hill CE Primary School and our local community as well as books that open windows into other worlds and cultures.
- Every classroom has an inviting book corner that encourages a love for reading. We curate these books and talk about them to entice children to read a wide range of books.

A COMPLETE PHONICS RESOURCE TO SUPPORT CHILDREN

- In our EYFS/KS1 classroom, children have access to the reading corner every day in their free-flow time and the books are continually refreshed.
- As children progress through school, we take time to get to know them as readers and ensure that we engage in meaningful conversations about the books that they have read. By doing this we can recommend authors and genres of books to expand their interests.
- The school library is made available for classes to use at protected times. Children across the school have regular opportunities to engage with a wide range of RfP events (book fairs, author visits and workshops, national events, etc.).
- We use the Everybody read! resources to grow our teachers' knowledge of current books, the most recent research and to grow our own RfP practice.

Assessment

Assessment is used to monitor progress and to identify any child needing additional support as soon as they need it.

- **Assessment for Learning (AfL)** is used:
 - daily within class to identify children who require Daily Keep-up support, as well as words and GPCs that need additional teaching
 - to plan repeated practice throughout the day to ensure all children secure learning
 - weekly in the Friday review lesson to assess gaps, address these immediately and secure fluency of GPCs, words and spellings.
- **Summative assessments** are uploaded onto the Assessment tracker for Reception and Year 1. These are used:
 - to generate visual reports (pupil heatmaps, pupil trends and books levels, and a summary analysis) for individual children, classes and whole year groups
 - by teachers, Reading Leaders and SLT who drill down and look at the data at GPC, word, tricky word and sentence level
 - by SLT to scrutinise and plan how to narrow the attainment gaps between different groups of children and to put in place any additional support for teachers.

We assess:

- every six weeks to assess progress and to identify gaps in learning that need to be reviewed or retaught
- to establish if learning is secure for more than 70% of children before new content is taught
- to identify any children needing additional support and to plan the Daily Keep-up support that they need.

Every three weeks, we reassess every child who is not on track.

A COMPLETE PHONICS RESOURCE TO SUPPORT CHILDREN

- A **placement assessment** is used:
 - with any child new to the school in Reception and Year 1 to quickly identify any gaps in their phonic knowledge and to plan and provide appropriate extra teaching.

Statutory assessment

- Children in Year 1 sit the Phonics Screening Check. Any child not passing the check resits it in Year 2.

Impact

The impact of our phonics and early reading provision at Oak Hill CE Primary School is evident in the secure, confident, and enthusiastic readers that progress through our school. By following the Little Wandle Letters and Sounds Revised programme systematically, we ensure that all children develop a strong foundation in decoding, blending, and spelling, enabling them to tackle unfamiliar words independently.

Our approach ensures that children make rapid and sustained progress, regardless of their starting points. Children who need additional support receive timely intervention through Daily Keep-up and Rapid Catch-up sessions, narrowing gaps and preventing them from falling behind. Assessment and careful monitoring allow staff to track progress accurately and tailor support to each child's needs, ensuring that learning is secure before moving on.

Beyond measurable reading outcomes, the impact of our phonics teaching is seen in children's growing confidence, enjoyment of reading, and ability to read for both purpose and pleasure. Our emphasis on reading for pleasure fosters lifelong readers who engage with a wide range of texts, both familiar and new. Ultimately, our pupils leave Oak Hill with the skills, knowledge, and love of reading necessary to access the full curriculum and thrive as confident, independent learners.
