

Oak Hill CE Primary School

Newsletter 7th June 2024

*Jesus said, 'I have come that you may have life in all its fullness'
(John 10:10)*

Cricket report by Henry

This week a selected few went to a school cricket tournament. We drove from school to the Tewksbury cricket ground and began playing after 10 minutes. Our first game matched us against Temple Guiting school, and we lost by quite a lot. The scores were: Oakhill-57 Temple Guiting-145. The reason for this is because we took 1 wicket and they took eleven. The next match we won which was brilliant and then we played a friendly match which we lost. But we got into the semi-finals as we were the best second team there and in the semi-finals we were facing Temple Guiting again! This time it was a lot closer and the final scores were Oak Hill 21, Temple Guiting 22; we lost by one run! Even though we lost the match it showed us how much we had improved as a team over the day. We all thoroughly enjoyed the entire day and had great fun even if we didn't get into the finals.

Science Festival Thursday 6th June

The whole school enjoyed a day at the Cheltenham Science Festival, funded entirely by FOOHS. Children had the opportunity to take part in a huge number of scientific activities, many of which were lots of fun. In KS2, the day culminated in a competition within groups to solve a fictitious cyber-crime and in KS1 they had an author talk learning all about space. A fantastic treat – thank you FOOHS!

Attendance update

Attendance has again improved this week – up to **93.34%**.

Our target this year remains a minimum of 96% across the whole school and our year to date is now at 93.27%.

Please check the NHS guide “Is my child too ill for school” if you are unsure of the best options for your child:
